- Section 3. Prior to its first meeting, traditionally held in January, the Nominating Committee shall advertise all upcoming vacancies via SCA communications and by any other reasonable and effective means.

The Nominating Committee shall also solicit nominations from the membership through the SCA Website and SCA email or other electronic communications (including SCA Weekly Highlights), as well as at Parent Council meetings at each school, and at meetings of the Executive Committees.

Nominations, including self-nominations, shall be accepted for all positions in person, by phone, by electronic communication or in writing.

If a candidate cannot be found who meets the qualifications for officers set forth in Article VI - Qualifications for Officers, despite the Nominating Committee having approached numerous potential candidates for such position, a joint meeting of the Executive Board and the co-chairs of the Nominating Committee shall be held to propose other candidates that best meet the necessary qualifications and will best serve the interests of the SCA. If the Executive Board and the co-chairs of the Nominating Committee agree on a candidate, such candidate shall be eligible to run for election despite not meeting the qualifications specified in Article VI - Qualifications of Officers for the office in question provided that the Nominating Committee votes in favor thereof.

- Section 7. In the event of a possible Co-Executive Presidency, the duties and responsibilities of each must be clearly decided. At each meeting, only one Co-Executive President may preside and vote. The other Co-Executive President may participate during executive committee or Executive Board meetings, but may not vote, but may may vote at general membership meetings as an SCA member, not as an officer.

A potential candidate shall collect signatures from at least 10% of all members of the SCA in order to be placed on the ballot.

The Chairperson of the Membership Committee shall establish from the membership roll the number of signatures thus required.

Completed Official Petition Forms shall be submitted to the Chairperson of the Nominating Committee at least one week prior to the General Membership Meeting during which the election is to take place.

Section 11. Signatures on all petitions shall be validated and counted by the Nominating Committee. Nominations may not be made in any other manner than stated in this Article.

Manhasset School Community Association, Inc.

Every proxy must be signed and dated by the member and returned to the Nominating Committee no less than 48 hours prior to the General Membership meeting during which such election is to take place. The Chairperson of the Nominating Committee and the Chairperson of the Membership Committee shall validate the proxies received against the membership roll. No proxy shall be valid after conclusion of the General Membership meeting during which such election took place. Every proxy shall be revocable at the pleasure of the member executing it at any time prior to the election.

Section 16. The Chairperson of the Nominating Committee shall notify the Executive President of the results of the election.

Manhasset School Community Association, Inc.

The Bylaws of the SCA were initially written in 1918 by its fourteen founders. Unfortunately, many of their names have been lost to us but we honor their wisdom and are in their debt for laying the foundation the SCA rests on today.

Individual articles have been amended in the intervening years, including the dates we have records for: May 20, 1956; January 15, 1967; June 5, 1969; November 16, 1971; March 21, 1972; May 24, 1974; May 20, 1975; May 18, 1977; May 1, 1980; June 2, 1983; May 31, 1984; May 29, 1996; May 28, 1997; May 27, 1998; May 27, 1999; May 6, 2004; June 7, 2007; September 18, 2009; May 25, 2011

We also wish to acknowledge all the SCA Historians and members of the Revisions Committees who acted as custodians of these Bylaws since their inception.

As required in the Bylaws regarding review every five years, the Revisions Committee convened in January 2023 to undertake a complete revision of all Bylaws, Policies, and Guidelines in order to update them to reflect both growth in the SCA and significant changes in corporate governance and transparency requirements, as well as to reorganize the documents and to record traditions that heretofore have been passed down by word of mouth.

The names of the Revisions Committee members who drafted these documents, as well as the names of the SCA members who gathered on May 8, 2023 to adopt these revised Bylaws, should remain part of the SCA's permanent record for historical purposes.

The Senior Frolic Committee may expense a dinner for the Manhasset School District Administration and Personnel who chaperone the Frolic. The SCA High School President will be responsible for hosting the dinner and will coordinate the budget with the Frolic Chairperson(s).

Guidelines

All items purchased or constructed during the course of the Frolic remain the property of the SCA and the Senior Frolic Committee and, as such, are not to be loaned except at the discretion of the Senior Frolic Chair(s) and/or the Executive President.

With prior approval, props and decorations may be sold or donated with all proceeds returned to the Frolic account.

Manhasset School Community Association, Inc.

Financial Procedures

- Annual fundraising (see below), donations of proportional shares of expenses by Senior parents, underwriting, and the sale of tickets shall finance the Frolic.
- Each class may hold one fundraising event per year beginning in ninth grade. This event is optional and may be held at the discretion of each class.
- All fundraising activities shall take place at the discretion of the Executive Board and must be approved in advance.
- The Senior Banquet may also raise funds for the Frolic. However, this is optional. The Banquet is a long-standing tradition that does not require approval by the Executive Board.
- Monies raised shall be deposited into the SCA Senior Frolic Account and earmarked for the Frolic for each individual class. The SCA Executive Treasurer shall record all deposits by class in the monthly Treasurer's Report.
- Each Frolic must make a mandatory contribution equal to one-fifth of the current cost of fireproofing the gym ceiling. A Fireproofing Liaison shall be appointed who is responsible for obtaining the quote at the beginning of each Frolic. This contribution will be earmarked for future long-term Frolic capital needs.
- At the close of the fiscal year and after all Frolic expenses have been paid out, including the mandatory contribution for the ceiling fireproofing, the Frolic Committee may propose a gift to the school on behalf of the Frolic. The approval of the gift shall take place at the discretion of the Executive Board and must be approved in advance. Once all obligations are satisfied, any funds remaining in the Frolic account will be earmarked for future long term Frolic capital needs.
- The SCA will not be responsible for any expenses in excess of revenue. The parents of the graduating class shall settle all accounts.
- Frolic Treasurer will prepare an annual report for the Executive Board by end of school year.

Parent members have a responsibility *to their Teams* to:

POLICY THIRTY-TWO

PARENT UNIVERSITY/FORMERLY KNOWN AS SPEAKERS BUREAU

Purpose

Parent University/formerly known as Speakers Bureau provides leadership programs, inspirational speakers, and motivational presentations to educate, support, empower, and enrich the lives of Manhasset Middle and High School students.

Committee Membership

Parent University/formerly known as Speakers Bureau shall be composed of: the High School and Middle School SCA Presidents, High School/Middle School GLCs, and the Director Guidance.

Meetings

The committee shall meet three times each year:

- prior to, or at the very beginning of, the school year to set an action plan;
- mid-year to evaluate programs presented in the Fall or early Winter and to plan new programs for the Spring; and
- at year-end to evaluate current programs and brainstorm topics and speakers for the following school year.

Responsibilities

The Secondary Schools' Parent University/formerly known as Speakers Bureau Committee shall be responsible for researching potential programs, implementing agreed upon programs, and doing follow-up evaluations.

Procedures

Because of the difficulty in taking students out of class, the committee should seek to plan one event that is presented as an assembly (pull-out) and another event that can be incorporated into the classrooms (push-in).

POLICY THIRTY-THREE

STUDENT ASSISTANCE

Purpose

Each year the SCA shall place in its budget an amount of money to cover the cost of academic needs, educational programs, school-approved activities, or school-related social events which are available and affordable to the majority of students in the

Manhasset School Community Association, Inc.

district, but which may prove a financial burden to some families. The purpose of this fund is to help the largest number of children possible in the context of our precedent of meeting individual student needs.

Procedures

SCA Student Assistance comes from one budget allocation that covers all schools.

Appropriate uses of Student Assistance-allocated moneys include, but are not limited to, the cost of class trips and other school events, fees for exams, classroom supplies, summer activities, and dances.

Student Assistance Forms are available from the individual school SCA President.

Elementary Schools:

In order to apply, the faculty member making the request (teacher, guidance counselor, or administrator) must fill out a Student Assistance Form that must be signed by either a Guidance Counselor or School Principal who shall determine the advisability of the request.

If the request is for \$20 or less, the Guidance/Principal's Office may send it directly to the SCA Treasurer for payment.

If the request is for \$20.01 or more, the form must be given directly to the individual school SCA President for approval.

The Executive President and/or the School President of the school the student attends may approve a request of \$200 or less per student.

Amounts in excess of \$200 must be approved by a majority vote of the Executive Board. This also applies if the request is for multiple students for the same activity, program, or event and the aggregate amount is in excess of \$200.

Student Assistance is intended as support and should not constitute the entire requested amount. Families or students in need of financial aid are asked to participate in as large or small a capacity as possible.

Secondary Schools:

In order to apply, the faculty member making the request (teacher, guidance counselor, or administrator) must fill out a Student Assistance Form. The form shall be submitted to the appropriate Guidance Counselor who, in collaboration with the School Principal, will determine the advisability of the request.

All requests must be presented to the School President for final approval. At this time, the student's guidance counselor shall be advised whether financial assistance will be provided.

Manhasset School Community Association, Inc.

The Executive President and/or the School President of the school the student attends may approve a request of \$350 or less per student.

Amounts in excess of \$350 must be approved by a majority vote of the Executive Board. This also applies if the request is for multiple students for the same activity, program, or event and the aggregate amount is in excess of \$350.

Student Assistance is intended as support and should not constitute the entire requested amount. Families or students in need of financial aid are asked to participate in as large or small a capacity as possible.

POLICY THIRTY-FOUR

SUMMER STUDIES AWARDS COMMITTEE

(See Bylaws Article XVI, Section 23)

The appointee cannot have a child or relative attending the Manhasset High School. (See 4th paragraph under Committee Membership.)

Each Committee member must be available to attend all student interview days.

No committee member may have a child or relative that is or will be in the Junior class at any time during their tenure on this Committee.

Because the chairperson must remain on this committee for a third year as immediate past Summer Studies Chairperson, no one shall be appointed as a vice-chairperson of this committee if they have a child or relative attending Manhasset High School.

Meetings

Interviews shall be held on one or two consecutive days depending on the number of applicants, in the Spring of the Junior year. Award recipients shall be chosen at the conclusion of the interview process.

Procedures

The Summer Studies Award packet shall be emailed to all Junior parents in January. This packet will contain a letter of information about the program in addition to instructions, an application, and teacher recommendation forms with deadlines clearly marked. Applications will also be available in the Guidance Office and on the SCA website.

Applicants may request an amount not exceeding the maximum amount of their selected program, nor exceeding the maximum amount of the award, which is currently set at \$1,000. The award may be put towards tuition, lodging, or materials, but may not be used for transportation to and from the program.

All committee members are equal voting members and every member must be present for the entire interview and selection process.

No reimbursements shall be made after the close of the SCA's fiscal year.

Eligibility

Any Manhasset High School Junior may apply for the award. A candidate must be a registered member of the Junior Class, in accordance with the rules of the Board of Education, as of the beginning of their Junior year and must be planning to return to Manhasset High School for a full Senior year.

Manhasset School Community Association, Inc.

Financial need and academic excellence will not be factors in deciding on the granting of an award. Rather, motivation, sincerity, and clarity of purpose will be overriding considerations.

Dear Gentlemen:

This modifies our letter of the above date in which we stated that you would be treated as an organization which is not a private foundation until the expiration of your advance ruling period.

Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Internal Revenue Code, because you are an organization of the type described in section 509(a)(1) & 170(b)(1)(A)(vi). Your exempt status under section 501(c)(3) of the Code is still in effect.

Grantors and contributors may rely on this determination until the Internal Revenue Service publishes notice to the contrary. However, a grantor or a contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 170(b)(1)(A)(vi) status, or acquired knowledge that the Internal Revenue Service has given notice that you would be removed from classification as a section 170(b)(1)(A)(vi) organization.

Because this letter could help resolve any questions about your private foundation status, please keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

District Director

Letter 1050(00)(7-77)

Manhasset School Community Association, Inc.

In December of 1918, fourteen mothers formed the Mothers' Club "to unite all mothers and teachers interested in the welfare of children so that they might labor together in a unity of spirit."

A Constitution was written and dues were set at a dollar a year.

In 1933, the name was changed to the School Community Association (SCA) and families became the unit of membership rather than just the mother. Faculty and community members were invited to join.

The underlying philosophy of the SCA's founders was to side step the PTA concept of a separate organization in each school, which might lead to competition among the schools and therefore among friends. Rather, the founders opted for a single parent teacher organization (PTO) which would work for the global good of all Manhasset's children by equally embracing every school within the Manhasset Public School District.

At about the same time, the school district itself opted to become Manhasset Union Free School District, which meant our four schools comprised a "Stand Alone School District" and were not incorporated or affiliated with schools in any other town. There is no labor connotation to the Union Free title.

Almost a century later, those visions prevail. We have held true to our founding principles and our purpose is virtually unchanged.

Still working in unity with each other and with the Administration and the School Board, as the original founders designed, the SCA is able to reach more families, provide more services and commit greater financial resources to our children and to support major undertakings in the District as needs arise.

We are indebted to the committed volunteers whose names follow. Their unselfish dedication, leadership, energy, generosity and proper stewardship of the principles authored by the founders provided the bedrock of the SCA for the past one hundred-five years.
