Losing a Son to the Opioid Epidemic

featuring Larry Glenz

A lacrosse, football, and wrestling coach who was inducted into the National High School Coaches Hall of Fame, Larry Glenz lost his son in 2010 to a heroin overdose. Now his passion is warning young people about the opiate crisis in our communities.

**Following the presentation, the
Long Island Council on Alcoholism
& Drug Dependence (LICADD)
will address the opioid epidemic on
Long Island and provide Naloxone Training**

Naloxone Training

To be eligible for training, registration is required. You must be Age 18 or older to receive a Naloxone kit.

Participants will learn

- The signs and symptoms of opioid overdose
- How opioids affect the body/mind/mood
- The steps to respond to an overdose
- How to administer Naloxone
