

Save the Date “Class of 2017 Senior Banquet Event”

Dear Parents,

This summer marks the start of an exciting time of year as we guide our children through the college process and prepare them for their “Senior Journey.” The class of 2017’s first parent/student FUND RAISING event is the “Senior Banquet.” It will be held on **Wednesday, November 9, 2016** at Leonard’s Palazzo in Great Neck.

This “kick-off” celebration has been a Manhasset tradition. The purpose of the evening is to gather students, parents/guardians, and administrators to reflect on friendships and experiences shared over the years, as well as raise money that will fund our senior’s Magical Frolic event on graduation night.

***Raffles and silent auction at the banquet are instrumental in generating funds to support the Frolic and... WE NEED YOUR HELP!**

Now is the perfect time to begin thinking of how you would like to donate. As you go about your outings we ask that you please consider helping Lisa Troia and Christine Andriotis, our Fundraising Team coordinators. **The success of the evening depends on your participation.**

*Below are some suggestions that have generated revenue in past years, but feel free to donate your own basket idea, raffles, auction items, and gift card(s). No Donations are too big or too small. An Americana Gift Card has been opened up under “MHS Class of 2017 Sr. Banquet” if you would like to make a monetary donation as well.
