SENIOR BANQUET

Dear Class of 2022 Families,

WELCOME TO SENIOR YEAR!!!

As our children navigate this milestone year with frenzied preparation for the next chapter of their lives, in the spirit of celebrating cherished memories and friendships made, and to recognize their achievements, the year is filled with Manhasset High School senior year traditions! One of the first of which is the Senior Banquet! At this event, our seniors celebrate each other with Senior Superlatives, a Video Montage, and a “now and then” photo journal!

We ask that you Save the Date : Monday, November 1, 2021  
6:30PM—10:30PM  
Leonard’s Palazzo  
Great Neck, NY

Importantly, this event is also the biggest fundraiser for the Class of 2022 Frolic, traditionally held on graduation night!!! The Silent Auction and raffles will help to raise the funds for the Frolic!

As your family considers donations for the Silent Auction, we offer the following suggestions that have been super successful in the past: Student Artwork, Tickets to sporting events, concerts, or theater; Golf Outings; AirPods, iPads, and the like; Vacation Rentals or Get Aways; Jewelry, Handbags, Americana Gift Cards, Restaurant Gift Cards, Spa or Salon Gift Cards, etc... We ask you, where possible, to support our local businesses! We are grateful for your donations and help in making this event a great success!

In preparation of the “now and then” photo journal, we ask that you begin your search for the perfect “now” and “then” photos of your seniors! These always bring huge smiles to our children, their classmates, teachers, and of course, to the families that have seen your children come in and out of their homes throughout the years....

Details on where to drop off Silent Auction donations, and where to email photos for the journal, and the video montage, to follow shortly! Thank you for your continued support!

A handwritten signature in black ink that reads "Val Bebbber". The signature is written in a cursive, flowing style.
