

SENIOR BANQUET SLIDESHOW

Dear Class of 2022 Families,

The viewing of the **Photo Montage/Slideshow** at the annual Senior Banquet is a time-honored Manhasset tradition that is widely regarded as the highlight of the evening. The slideshow will commemorate the Class of 2022's school memories from kindergarten to the present, with the emphasis placed on high school. It is our committee's goal to have every Senior represented in the montage.

WE CANNOT DO IT WITHOUT YOU!
