Principal
Secondary School

Dear Parents/Guardians:

I am pleased to provide you with the attached January 2024 schedule for mid-term assessments and Regents exams. This general schedule is posted on our Secondary School website. Please review the following information with your child(ren).

Regular class instruction will continue through Monday, January 22.

Mid-term assessments and Regents exams will begin Tuesday, January 23 through Friday, January 26.

Please be advised that absences from exams during testing week will only be excused with a physician's note.

Teachers will inform students of the exact times and locations of their respective exams. Assessment schedules will be posted in central locations throughout the building beginning Tuesday, January 16.

During the testing days, the cafeteria will be open from 7:30 AM – 12:00 noon. A light menu/snacks will be available for students.

To protect the integrity of the examinations, we ask that students only report to school for their scheduled assessments.

The use of any electronic device, (e.g. cell phones, tablets, smartwatches, etc.) other than those approved by department supervisors for testing accommodations, may not be used or handled at any time during an exam. Students in violation of this directive may be removed from the exam and have their score for that assessment/Regents exam nullified.

For your convenience, please see information below regarding during this week.

Thank you for your continued partnership.

Sincerely,

Rich Roder
Principal
