

# Manhasset High School Class of 2024 Senior Banquet

*Send a note of love with “now & then” photos of your senior!*

The Class of 2024 Senior Banquet Photo Book will be presented at the November 6, 2023 event! We ask and encourage our families and friends to include your Senior in the book by purchasing a photo page with notes of love and congratulations, recognizing your Class of 2024 Senior! The photo of your child starting off in the Manhasset Schools next to one of your “all grown-up” Senior brings wide smiles and are cherished for many years to come!
