

International Day 2010

Wednesday, March 24, 2010

A Rainbow of Balloons:	\$80
Passport Printing:	\$600
International Trinkets:	\$880

Over 900 children traveling around the world in the comfort of their own school.

PRICELESS!

We need your help! This event is made possible each year due to the generosity of our Munsey Park families. Thanks to all who donated their money, time and effort in the past so that every child at Munsey Park was able to experience a fun, memorable and educational day. The students “visited” many different countries and learned about different cultures and customs. We hope you can help us again this year to achieve our goal to make International Day 2010 the Best One Yet!
