

Manhasset Public Schools

February 24, 2015

Dear Parents of Children in Grade 6,

You and your sixth grader are invited to a special maturation presentation on Tuesday, March 24, 2015 at 7:00 PM according to the following schedule:

**Tuesday, March 24, 2015 – 7:00 PM at Munsey Park
Grade 6 Girls with their parent(s) or significant adult(s)**

**Tuesday, March 24, 2015 – 7:00 PM at Shelter Rock
Grade 6 Boys with their parent(s) or significant adult(s)**

Parent(s), or another significant adult(s), should attend with each child to gather information and to begin the discussion on the many changes a child experiences during puberty. The presentations previously used have been updated and revised. The new presentations incorporate a team of highly-qualified Manhasset educators using a multimedia format. Moving forward, future years' maturation presentations will be presented to students at the end of the fifth grade school year.

A link to the PDF of the evening's presentation can be found at <http://www.manhassetsschools.org/Page/5123>. The PDF will be accessible on the MUFSD web site as of Monday, March 9, 2015. We highly encourage each adult, accompanying a child to the Maturation Night, to review this PDF prior to the presentation. Previewing the presentation will help to ensure the overall success and effectiveness of the presentation. The purpose of the Maturation Night is to facilitate a discussion between the student(s) and their family. To underscore this point, we ask all adults to sit next to their child throughout the presentation.

If you have any questions, please feel free to call Theresa Curry, Amanda Gimondo, or us, at 516.267.7405 (Munsey Park) or 516.267.7452 (Shelter Rock).

Warmest regards,

Jean C. Kendall, Ed.D.
Principal, Munsey Park School

Robert Geczik
Principal, Shelter Rock School
