

PHOTO DAY WEDNESDAY and THURSDAY
OCTOBER 3rd and 4th

Please see the schedule for your child's photo day (on back). We will use the **online ordering system through Irvin Simon. No order forms will be used.**

- Approximately 3 weeks after photo day, you will receive an email with a personal password and link to see your child's photo proofs
- Order and payment are made directly online, on a guaranteed secure server
- Your photos will be mailed directly to you
- Try to avoid wearing green – a green screen is used for photos
- If you have 3 or more children in the school district, you qualify for the Family Rebate Plan and your 3rd child package, of equal or lesser value, is FREE. Look for information online.

****For 6th graders only – your pictures will be used in your yearbook. Boys, please wear a shirt and tie and girls, dress accordingly. You can pick any background for your own personal photos but the blue background will be used for the yearbook.**

If you have any questions, please get in touch.
