

## MANHASSET SCHOOL COMMUNITY ASSOCIATION

September 6, 2011

Dear Parents and Guardians,

Welcome back to another school year. While some of us are still in “Summer Mode,” others are excited for the routine of the school year to begin and for some, time to go to work, exercise, or even do errands without an entourage in tow. It is also the time of year for new beginnings, clean slates and starting over. I am a combination of both, so sad to see summer come to a close but also excited for another year.

As in years past, this year presents opportunities for everyone to become involved in their children’s education in a variety of ways. Parents can volunteer to help out for an hour here or there at a Photo Day or a Book Fair, or they can chair an event like National Library Week or the SCA Fair!!!! However, there are also jobs, such as publicity or the directory, which can be done at home on order to compliment a variety of schedules.

The SCA relies on the parents to participate in its various committees so that it can support the schools and our children. Attending the SCA meetings is the best way to stay informed about all of the events in the schools during the year and to also ask questions. In addition, parents can log onto [manhassetzca.org](http://manhassetzca.org) to find out about SCA programs and events and can sign up to receive the SCA Highlights in order to learn about weekly school information and to download forms and flyers regarding all school and SCA programs.

As your new SCA Executive president, I am excited to begin my tenure and to work with all of the amazingly talented and dedicated parents who comprise our large School Community Association. Please feel free to email me with any questions, comments, or concerns that you might have.

Have a great school year!

Christy Wepler
