To Manhasset's families and supporters,

The Manhasset School Community Association (SCA) is honored to host the 70th Annual SCA Fair which will be held on Saturday, May 6, 2023 at Munsey Park Elementary School, with a rain date of May 7th. We are excited to host this memorable event for the entire community!

The SCA Fair is one of the largest sponsorship opportunities for our schools and we appreciate everyone's generous support in making this event successful for the benefit of Manhasset's students and public schools. The proceeds from this event are used to provide valuable educational classroom and social enrichment programs that enhance the Manhasset school experience which include, but are not limited to: SCA Educational Grants, Student Assistance, Enrichment Programs, Speakers, and Dances.

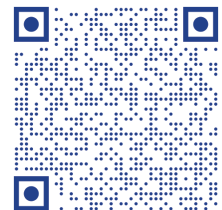

Please help this year's fundraising efforts with a tax-deductible contribution. The SCA Fair provides several opportunities to sponsor rides and games with name or business recognition noted via signage on the day of the fair. The SCA Fair Journal offers a wonderful opportunity for announcements such as: providing well wishes to our elementary, middle school and high school Manhasset graduates, family photos, sports teams and business advertising.

The SCA Fair's newly launched Square store is available through the QR code provided below, highlighting the various sponsorship opportunities and streamlining the payment process. All contributions are recognized in the SCA Fair Journal, which is sent via backpack express or mailed to school district households, as well as distributed at select local businesses.

If you choose to take advantage of one of the journal sponsorship opportunities, please provide your contact information and journal advertisement, photo, message or business card no later than Friday, March 24th to scafair2023@gmail.com. Please keep in mind that the SCA Fair Journal takes several weeks to print, so a timely response is greatly appreciated.

Thank you in advance for your support and contribution to the SCA Fair.
