Welcome to the Fall 2010 SCA Saturday Series enrichment program! This program is open to Manhasset School District residents only. Classes fill up quickly so fill out the registration form and mail it, along with your check, as soon as possible. **If you do not hear from us, your child has received his/her 1st or 2nd choices. The Committee reserves the right to cancel a class if less than 6 kids are enrolled.**

Your assistance in monitoring classrooms, security, and volunteering in the Theater program helps to make this program a success. You can sign up via email, at registration or at the main desk. The phone number at the Shelter Rock School while classes are in session is 627.9692. Our thanks go out to Principal Robert Geczik, his staff and all of the Saturday Series teachers for their continued support. You can visit our website, www.manhassetzca.org, or stop by the Manhasset Library for additional forms. We'll see you on September 25 for another fun-filled semester!

If you have any questions, or need information, contact saturdayseries@gmail.com

NEW! READ AND RAPP: Book Clubs for Children
How can we get children to enjoy reading more? How can we make reading more social and less isolating? Book Clubs have become popular adult vehicles for sharing ideas, meeting new people and experiencing something different with old friends. Kids love to talk and share their ideas.. A book club supervised by an experienced reading teacher will encourage children to read and talk about ideas related to the book being read. What better way to enhance comprehension, encourage reading, stimulate thinking and get kids talking to each other about their ideas than this book club for kids!

***** IMPORTANT NOTE *****

Junior Chefs & Cake Decorating: If your child has a **FOOD ALLERGY** of any kind you **MUST** let the Saturday Series staff know and provide additional information as appropriate. Also, by signing your child up for this class, you **acknowledge and provide your permission that your child may use the small paring knives used in food preparation.**

Fencing: All participants are required to strictly follow instructor's guidelines. Disruptive behavior could result in dismissal from class

Safety and Security

Please review these safety and security tips with your child

- Students should never leave the classroom without telling the teacher
- Parents are responsible for **picking up and transferring children** to and from class
- Discuss with your child if he/she is comfortable on their schedule. **We strongly suggest that you walk them through their schedule several times**
- Pick up at the classroom. Never have your child meet you in the parking lot
- If you are late, what should they do? **We recommend they stay in the class. The teacher will either wait with them or walk them to the main desk**
