

SCA SATURDAY SERIES WINTER 2014

Class dates: January 25, February 1 & 8, March 1, 8, 15, 22 & 29.

Welcome to the Winter, 2014, SCA Saturday Series enrichment program! Saturday Series is open to all Manhasset School District residents, Kindergarten through Grade 6. All classes will be held at Shelter Rock Elementary School.

Classes are \$145 with additional fees on certain classes. Checks are payable to: Manhasset SCA.

Please mail the registration form with payment to: Saturday Series, P.O. Box 1097, Manhasset, NY 11030 ASAP.

Final in-person registration is January 14th at 6:45pm at the **MANHASSET PUBLIC LIBRARY (location change) Mail-in is preferred.**

****Musical Theater** is \$395. **Do not** use this registration form for registering for Musical Theater. **Mail-in's for this class are not accepted.**

In-person registration is **mandatory**. Sixth graders are given registration preference and all others will be selected by lottery.

Anyone interested in Musical Theater needs to be present on January 14th, 6:45pm at the **MANHASSET PUBLIC LIBRARY (location change)*.**

Welcome back to a new session of Saturday Series!

NEW! 3D ART: Create three dimensional art such as mobiles, dioramas, decorative boxes, board games, mask decorations, foam board sculptures and clay sculptures.

Grades 3 - 6: 10:55 - 11:55

ACROBATICS: A non-apparatus approach to gymnastics – tumbling, walkovers, handsprings, and cartwheels are some of the activities that kids will love.

Grades K - 3: 9:45 - 10:45

ALL SPORTS: Have fun playing Nerf football, wiffle ball, line soccer, kickball, basketball and deck hockey.

Grades K - 2: 9:45 - 10:45

Grades 3 - 6: 10:55 - 11:55

Grades K - 2: 10:55 - 11:55

ART & CREATIVITY CLUB: This class is great fun for all kids who love to build, paint, model and get creative. Different projects each week, including masks, clay, painting and more. Co-Sponsored by Manhasset SEPTA. Class size is limited.

Grades 1 - 6: 9:45 - 10:45

CAKE DECORATING: The Baking Coach® will teach students how to decorate cakes, cookies and cupcakes. Have fun with fondant, and learn how to work with pastry bags to create rosettes, leaves, and other designs. Bring home yummy treats! See important note on the reverse side. Additional fee: \$40.

Grades 2 - 6: 9:45 - 10:45

Grades 2 - 6: 10:55 - 11:55

CHEERLEADING: We hope you have spirit! Learn cheerleading basics, moves, and cheers. All participants are required to wear sneakers and comfortable clothing.

Grades K-3: 10:55-11:55

CHESSMATES: A master coach from LI Chess Mates® will teach all levels from beginner to advanced. Have fun while improving problem solving and logical reasoning skills.

Grades 2 - 6: 10:55 - 11:55

NEW! DJ DANCE PARTY: Learn popular party dances such as the Cha Cha Slide, Cupid Shuffle, Cotton Eyed Joe & Gagnam Style with Claudia Wang. Wear comfortable clothing.

Grades K-3: 10:55-11:55

GOLF: Tee it up with TGA! TGA Premier Junior Golf's® award winning program instills confidence and life values. Students learn golf fundamentals plus game rules, safety and etiquette. All clubs and equipment will be provided. Class size is limited.

Grades 1 - 3: 9:45 - 10:45

Grades 4 - 6: 10:55 - 11:55

NEW! IMPROV SKILLS: Improvisation skills are essential for any great actor. Gain confidence and the ability to think on your feet. An improv class is a fantastic way to break a young actor out of his shell. Build skills through theatre games and ice breaker exercises. Class size limited.

Grades 2 - 6: 10:55 - 11:55

JUNIOR CHEFS: Learn how to cook and bake! Create macaroni and cheese, bread, pops, treats and more. With a little bit of math and science, these young chefs will create some really great food. Please see important note on the reverse regarding allergies. Additional fee: \$40.

Grades 2 - 6: 9:45 - 10:45

Grades 2 - 6: 10:55 - 11:55

JUNIOR SCIENTISTS: Science made fun and exciting through engaging demonstrations and experiments with instructors from the Science Museum of Long Island! Take home projects to show off your new scientific knowledge to friends and family.

Grades K - 2: 10:55 - 11:55

LEGO® TECHNICAL WONDER: This hands-on workshop deals with practical science and technology through building LEGO® models and exploring their functions. Children work in teams to achieve goal-oriented missions. This workshop is so much fun they forget they're learning.

Grades 1 - 3: 9:45 - 10:45

Grades 4 - 6: 10:55 - 11:55

NEW! LIGHTS, CAMERA, ACTION: Learn the difference between acting for the camera vs. stage acting. Practice scenes based on Disney and Nickelodeon shows while being taped for review. For anyone that wants to pursue tv, film or commercial acting. Class size limited.

Grades 4 - 6: 9:45 - 10:45

MAGIC TRICKS & MORE: Learn the exciting secrets of magic and amaze everyone with fun-to-learn tricks using simple math, coins and everyday items. Your friends and family will be astounded and left wondering "How did (s)he do that?"

Grades K - 2: 9:45 - 10:45

Grades 3 - 6: 10:55 - 11:55

MANHASSET IDOL: Enrich your voice, have fun and build confidence while learning the proper technique for singing songs from Broadway through pop. Learn the Bel Canto technique with Claudia Wang. Performance last day of class.

Grades K - 3: 9:45 - 10:45

MUSICAL THEATER - Alice in Wonderland:

Registration/cast selection by lottery will be on January 14th.

Travel down the rabbit hole and join Alice's madcap adventures in Wonderland as she chases the White Rabbit and beats the Queen of Hearts at her own game! Wonderland is filled with familiar friends and characters in a world beyond your imagination. Make a very important date to see our performance on March 29th.

Parents' participation is essential! Fee: \$395.

Grades 4 - 6: 9:30 - 11:55 (plus rehearsal/show times)

NEW! NEEDLECRAFT: Learn the basics of needlecraft and knitting. Students will create bracelets, bookmarks, scarves and other seasonal crafts based on their abilities.

Grades 3 - 6: 9:45 - 10:45

RECYCLED ART: Create works of art using recycled materials. The children will create a winter snow scape and many other seasonal crafts. A Saturday Series favorite – you will be amazed by what can be made out of recycled items!

Grades 3 - 6: 9:45 - 10:45

Grades K - 3: 10:55 - 11:55

SENIOR SCIENTISTS: Learn how science touches our everyday lives. Join instructors from the SMLI in performing experiments that amaze and astound. From the "magical" power behind chemistry and physics, to the captivating draw of live animals and gemstones... all will be explored in class.

Grades 3 - 6: 9:45 - 10:45

TAEKWONDO: Taekwondo is a martial art with an emphasis on kicking. Students will learn the basic stances, kicks, blocks and self-defense techniques in a non-competitive environment. Taekwondo helps build self-esteem, increases confidence and flexibility.

Grades 1 - 6: 9:45 - 10:45

Grades 1 - 6: 10:55 - 11:55

WOODCRAFT: A hands-on class that acquaints boys and girls with the art of woodworking. Each student will complete a project where they sand-finish, paint and decorate their own model. Parent supervision recommended for K - 2 children.

Grades K - 6: 9:45 - 10:45

Parents are responsible for picking up and transferring children to and from class.

Contact Info: If you have any questions, or need further information, please contact us at SaturdaySeries@gmail.com. Visit our website, www.manhassetzca.org or stop by the Manhasset Library for additional forms.

Important Note: Junior Chefs & Cake Decorating: If your child has any FOOD ALLERGY, you MUST let the Saturday Series staff know and provide the appropriate additional information. By enrolling in Junior Chefs, you grant permission to have your child use the small paring knives in food preparation.

Safety and Security: Please review these safety and security tips with your child.

- Students should never leave the classroom without telling the teacher.
- Parents are responsible for picking up and transferring children to and from class.
- Discuss with your child whether he/she is comfortable on their schedule.
- We strongly suggest that you walk them through their schedule.
- Pick your child up at the classroom. Never have your child meet you in the parking lot.
- If you are late, what should they do? We recommend they stay in the class. The teacher will either wait with them or walk them to the main desk.
- YOUR ASSISTANCE IN MONITORING CLASSROOMS AND SECURITY HELPS TO MAKE THIS PROGRAM A SUCCESS.

Thank you to Principal Robert Geczik, his staff and the Saturday Series teachers for their support!
See you on January 25th for another fun-filled semester!
