

# SCA SATURDAY SERIES WINTER 2017

Class dates: January 21, 28, February 4, 11, March 4, 11, 18, 25

Welcome to the Winter 2017 SCA Saturday Series enrichment program! Saturday Series is open to all Manhasset School District residents, Kindergarten through Grade 6. All classes will be held at Shelter Rock Elementary School.

**Classes** are \$150 with additional fees on certain classes. Checks are payable to: Manhasset SCA.

Please **REGISTER ONLINE AND MAIL PAYMENT TO:** Saturday Series, P.O. Box 1097, Manhasset, NY 11030 ASAP.

**\*\*Musical Theater** is \$400. **ONLINE/MAIL IN for this class are not accepted.** In-person registration is **mandatory**. Sixth graders are given registration preference and lower grades will be cut (starting with 3<sup>rd</sup> graders) if registration is over capacity. Anyone interested in Musical Theater needs to be present on **January 10<sup>th</sup>, 6:45pm** at the **MANHASSET PUBLIC LIBRARY**.

**ACROBATICS:** A non-apparatus approach to gymnastics-tumbling, walkovers, handsprings, and cartwheels are some the activities that kids will love.  
**Grades K-3: 9:45-10:45**

**ALL SPORTS:** Have fun playing Nerf football; whiffle ball, line soccer, kickball, basketball, and deck hockey.  
**Grades K - 2: 9:45 - 10:45**      **Grades 3 - 6: 10:55 - 11:55**  
**Grades K - 2: 10:55 - 11:55**

**ART & CREATIVITY CLUB:** This adaptive art class is fun for all kids who love to build, paint, model and get creative. Different projects each week: including masks, clay, painting and more. **Co-Sponsored by Manhasset SEPTA.** Class size is limited.  
**Grades 1 - 6: 10:55-11:55**

**ARTS & CRAFTS:** Create original artwork using a variety of art materials and found objects. The children will create seasonal crafts to take home.  
**Grades K-3: 9:45-10:45**

**CAKE DECORATING:** Decorate cakes, cookies and cupcakes. Have fun with fondant, and learn how to work with pastry bags to create rosettes, leaves, and other designs. Bring home yummy treats! **See important note on the reverse side.**  
**Additional fee: \$40.**  
**Grades 2 - 6: 9:45 - 10:45**      **Grades 2 - 6: 10:55 - 11:55**

**CHESSMATES:** A grandmaster coach from LI Chess Mates® will improve the game of first time to experienced chess players. Have fun while improving problem solving and logical reasoningskills.  
**Grades K - 6: 9:45 - 10:45**      **Grades K - 6: 10:55 - 11:55**

**CREATIVE PAINTING:** The instructor who brought us the popular Krafty Kids now offers a painting class! She will teach painting on various objects, such as glass. She will also teach painting with watercolors.  
**Grades 3-6: 9:45-10:45**

**DANCE/CHEER:** If you liked Acrobatics you will love the next step...Dance/Cheerleading! Incorporate the fundamentals into incredible Dance moves!  
**Grades 2-6: 10:55-11:55**

**NEW! ELECTRONIC GAME DESIGN - PONG IN SPACE:** Create your own version of the classic Pong game. Use Clickteam fusion 2.5 to bring our storyboard to life. At the end of the class, students take home a copy of the game they create. **Grades 3-6: 9:45-10:45** **Additional Fee: \$40**

**NEW! ITALIAN LANGUAGE:** Join our Piccola italia! Enjoy learning the Italian language and culture through sports, art, music, food & games. Discover Italy through fun activities which will prepare you as you move towards learning a language in middle school.  
**Grades 4-6: 9:45-10:45**

**JUNIOR CHEFS:** Learn how to cook and bake. Create macaroni and cheese, bread, pops, treats and more. With a little bit of math and science, these young chefs will create some really great food. **Please see important note on the reverse regarding allergies.** **Additional fee: \$40.**  
**Grades 2 - 6: 9:45 - 10:45**      **Grades 2 - 6: 10:55 - 11:55**

**NEW! JR AEROSPACE ENGINEERING:** Introduce our youngest engineers to fundamental concepts of aircraft and spacecraft design. Students will explore and construct airplanes, rockets, helicopters and more.  
**Grades K-2: 10:55-11:55**

**JR. ELECTRICAL ENGINEERING:** Design, create, test and refine basic electronics and circuits! Students experiment with Snap Circuits to discover the capabilities of major electronic components. Students will also build a flashlight and build a Magnetic Levitation vehicle.  
**Grades K - 2: 10:55-11:55**

**NEW! JR. MECHANICAL ENGINEERING, Widgets & Gadgets:** Introduce our youngest engineers to concepts of energy, materials, movement. Students will construct roller coasters, catapults, cars & more.  
**Grades K - 2: 9:45 - 10:45**

**JUNIOR SCIENTISTS:** Science made fun and exciting through engaging demonstrations and experiments with instructors from the Science Museum of Long Island! Take home projects to show off your new scientific knowledge to friends and family.  
**Grades K - 2: 9:45-10:45**

**KRAFTY KIDS:** Create original artwork using a variety of art materials and found objects. The children will create a winter snow scape and many other seasonal crafts. Taught by a Saturday Series favorite - Gloria Gerba!  
**Grades K - 3: 10:55 - 11:55**

**LEGO ROBOTICS:** Learn the basics of designing, programming and controlling a fully functional robot. Students will learn the sequence of communication between the robot, and the programmer by analyzing data using the robot's sensors.  
**Grades 3-6: 9:45-10:45**      **Additional fee: \$40**

**MAGIC TRICKS I:** Learn the exciting secrets of magic and amaze everyone with fun-to-learn tricks using simple math, coins and everyday items. Your friends and family will be astounded and left wondering "How did (s)he do that?"  
**Grades K - 2: 9:45 - 10:45**

**MAGIC TRICKS II:** If you like performing magic tricks, then you'll love this class. Learn how to read minds and perform mind-boggling illusions that will amaze.  
**Grades 3 - 6: 10:55 - 11:55**

**MANHASSET IDOL:** Enrich your voice, have fun and build confidence while learning the proper technique for singing songs from Broadway to pop. Learn the Bel Canto technique with Claudia Wang. Performance on last day of class.  
**Grades K - 3: 9:45 - 10:45**      **Grades K - 3: 10:55 - 11:55**

**MUSICAL THEATRE\*\* - HIGH SCHOOL MUSICAL:** **Registration will be on January 10<sup>th</sup>.** Please join us as this smash hit movie musical comes to life in Manhasset! All are invited to the final performance on March 25<sup>th</sup>. **Parents' participation is essential! Fee: \$400.**  
**Grades 3 - 6: 9:00 - 12:00 (plus extended rehearsal/show times)**

**NEW! SR ELECTRICAL ENGINEERING:** Students will build a flashlight, explore magnetic energy by building a Magnetic Levitation vehicle and experiment with Snap Circuits®.  
**Additional Fee: \$40**      **Grades 3 - 6: 10:55-11:55**

**SENIOR SCIENTISTS:** Learn how science touches our everyday lives. Join the Science Museum of LI in performing experiments that amaze and astound. From the "magical" power behind chemistry and physics to the captivating draw of live animals and gemstones.  
**Grades 3 - 6: 10:55-11:55**

**WOODCRAFT:** A hands-on class that acquaints boys and girls with the art of woodworking. Each student will complete a project where they finish, paint and decorate their own model. **Parent supervision recommended for K - 2 children.**  
**Grades K - 6: 9:45 - 10:45**

**Parents are responsible for picking up and transferring children to and from class.**

**Contact Info:** If you have any questions, or need further information, please contact us at [SaturdaySeries@gmail.com](mailto:SaturdaySeries@gmail.com). Visit the SCA website, [www.manhassetzca.org](http://www.manhassetzca.org) or stop by the Manhasset Public Library for additional forms.

**Important Note:** Junior Chefs & Cake Decorating: If your child has any FOOD ALLERGY, you MUST let the Saturday Series staff know and provide the appropriate additional information. By enrolling in Junior Chefs, you grant permission to have your child use the small paring knives in food preparation.

**Safety and Security:** Please review these safety and security tips with your child.

- Students should never leave the classroom without telling the teacher.
- Parents are responsible for picking up and transferring children to and from class.
- We strongly suggest that you walk your child through their schedule and discuss whether he/she is comfortable on their schedule.
- Pick your child up at the classroom. Never have your child meet you in the parking lot.
- If you are late, we recommend they stay in the class. The teacher will either wait with them or walk them to the main desk.
- Please be alert to weather conditions. In case of inclement weather, where district activities are cancelled, information will be made available through the District website.
- YOUR ASSISTANCE IN MONITORING CLASSROOMS AND SECURITY HELPS TO MAKE THIS PROGRAM A SUCCESS

Thank you to Principal Robert Gezik, his staff and the Saturday Series teachers for their ongoing support!

**See you on January 21st for another fun-filled semester!**
