

Dear Parents and Guardians,

Welcome to the 2020/2021 school year! Although this will be a year like no other, we will work together to adapt to this “new normal”.

The Manhasset SCA would like to take this opportunity to welcome back our returning families as well as welcome our new families to the Manhasset community. A special welcome to our Munsey Park students who will join their classmates at Shelter Rock School this year. This is truly a testament to the fact that we are a united community working towards one goal-the best possible academic, social and emotional experience for each child during these unprecedented times.

The SCA is the link between parents and our schools and we strive to create a genuine partnership with our Administration. Together we plan programs throughout the school year to enrich your child’s educational journey. This year will certainly look different but we will strive to continue these programs in any capacity allowed under the current guidelines. The situation is fluid and we will continue to update you on a weekly basis via our SCA highlights as well as email. Our hope is that whatever we can provide will enrich the school experience for our students and give them the tools to become lifelong learners and successful adults.

We invite you to become an involved member of the SCA by volunteering your time. The SCA relies on your support to provide these valuable programs and opportunities to our students. Your contributions, big or small, make a difference. Please join us for our first **SCA Executive Meeting on Friday, September 18th at 9am** via Zoom where many of these volunteer opportunities will be discussed. To stay informed and connected to all Manhasset SCA initiatives please **visit the Manhasset SCA website at manhassetzca.org** where you can sign up for our weekly highlights

Please feel free to contact us with any questions.

We wish all of our students the best of luck this year!
