November 5, 2021

Dear Music Families,

As we all know, performing for a live audience is an essential experience for our young musicians. I am therefore delighted to inform you that we will be having all of our elementary and secondary winter concerts live and in-person next month.

I wanted to make you aware of changes to the upcoming concert calendar and some new procedures you can expect as we plan these indoor performances in a way that is safe for both our students and our audiences.

In order to socially-distance our audience and allow for contact tracing, we will be requiring tickets for attending all Winter Concerts. Families will use an online platform to select their seats in a way that one would expect when acquiring tickets for a Broadway show, etc.

Tickets will be limited initially to 3 per family for elementary concerts and 2 per family for secondary concerts. In order to make the concert available to all who cannot attend, we will also share a live Zoom link for each performance and make recordings available upon request afterwards.

More information with links to our ticketing website and Zoom access will be shared by myself and your child's music teacher in the coming weeks.

Below you will find a detailed schedule of performances. This schedule will supersede all previous schedules found in the district calendar etc. As always, if you have any questions feel free to contact myself or your child's music teacher at any time.

I am looking forward to a wonderful Holiday concert season and seeing our young musicians take the stage once again.

Warm regards,

Christopher Hale, Ed.D  
Director of Fine and Performing Arts  
Manhasset UFSD
