

September 2023

Dear Parents & Guardians,

Welcome to the 2023-2024 school year! We hope everyone had a relaxing and enjoyable summer.

The Manhasset SCA welcomes back our returning families as well as new families to the Manhasset community.

The SCA is a link between parents and the Manhasset schools. We strive to ensure a genuine partnership with the schools and administration. We work together to plan programs throughout the year to enhance and enrich our children's educational journey. It is our hope that this partnership creates a nurturing environment and rich academic experiences that help our children become lifelong learners.

The SCA will be offering many programs this year, some of which are long standing traditions, as well as some new ideas. We welcome suggestions from the community, and would love to have your help in creating and continuing programs that our children enjoy. We are excited for this to happen and your involvement will make these programs and events a success! We invite you to become involved with the SCA- attend a Parent Council Meeting, an Executive Board Meeting, or volunteer at an event. We are looking forward to favorite events this year such as Saturday Series, Extended Extras, the SCA Luncheon and of course the SCA Fair!!!

Please join us for our first ***SCA Executive Open Board Meeting on Friday, September 22nd at 9am*** in the District Office Community Room. You will learn about events, volunteer opportunities, hear an update and Q&A from Dr. Passi.
