

Gifted & Talented Division

Proudly presents our newest class:

Calling All Artists and Scientists!

STEAM FOCUS: SCIENCE/ART

Friday March 16th, 2018

4:30-5:30pm

Manhasset Public Library – Garden Room (3rd Fl)

2nd – 4th Graders

**Create beautiful “Bubble Blower Painting”
and take home a bag of homemade slime!**

We will explore the beauty of bubble artwork and create a unique masterpiece to take home. After, we will explore the world of science and make gooey slime to take home. We will delve into the scientific process and discuss different terms that scientists use in order to create, invent, and put into use.

Space is limited! To register, or any questions, please email:
