

# HOW TO BUILD CONFIDENCE

*and motivate your child...*

**13**  
MARCH

MANHASSET PUBLIC LIBRARY

SEVEN O'CLOCK PM

Cindy Goldrich author of *8 Keys to Parenting Children with ADHD* aims to help parents and educators foster self-confidence and improve motivation for kids who struggle with learning challenges.

Your child's confidence, motivation, and perseverance at school are all hugely impacted by his/her own personal perceptions of how well s/he learns.

If you think you're a strong student, you will become one.
