(There is no school that day)

Manhasset Public Library – Garden Room (3rd Fl)

1:00-2:00pm

Whether you are new to BRICKS 4 KIDZ™ or a returning LEGO® enthusiast, we have lots of new projects to share! Children will participate in an interactive discussion about the project of the day – find out how it came to be, how it works and why. Then they will build a motorized BRICKS 4 KIDZ™ model. The activities are designed to trigger young children's lively imaginations, build their self-confidence, and develop problem solving, critical thinking and fine motor skills.
