

## **SEPTA GIFTED AND TALENTED DIVISION PRESENTS:**

### **The Gifted Child**

Please join us for a special guest speaker  
on Wednesday January 16th at 7pm  
at the Manhasset Public Library-  
Community Room (lower level)

Ms. Tobi Phillips, an educator for over thirty-eight years and founder of Village East Gifted, Inc. will discuss:

- Benefits of the early identification of gifted learners
- Benchmarks of grade-level students vs. students of academically-high aptitude
- "Symptoms" of gifted learners who are in need of more rigorous, academic undertakings
- Curriculum areas most beneficial to gifted students
- Writing: The Gifted Student's Dilemma
- Teaching approach to engage, challenge and entertain gifted learners ages 3 to 18
- Academic, emotional, social and cognitive needs of gifted children
- Recommendations for helping grade-level siblings cope with their gifted family members
- Suggestions for effectively raising happy and intellectually-satisfied gifted children.

**Registration appreciated but not required at [www.ManhassetSEPTA.org](http://www.ManhassetSEPTA.org) or email [manhassetsepta@gmail.com](mailto:manhassetsepta@gmail.com) for the signup link**
