

Expert Presentation:
RESCHEDULED DATE

Dr. James Snyder

ADHD/ADD Medications for children and adults

TUES, MAR 23 7pm - 9pm

Manhasset High School BOE Room
2nd Floor

- Get a review of the *new generation* of ADHD medications
- Hear about the current research results of these medications
- Learn what issues to consider when selecting medications and while taking medication
- Open expert Q&A

This was originally scheduled for the February presentation but was canceled due to snow. Thank you for your understanding and we hope to see you at the reschedule time, date and location.

All are welcomed to attend—Refreshments will be served
