WINTER 2017 SCA EXTENDED EXTRAS BEFORE AND AFTER SCHOOL PROGRAMS

The SCA is pleased to offer the following Extended Extras to Shelter Rock Students.

Program Details:

- Each class is **\$175.00** for the 10-week session. (Creative Cooking and Writing, Kitchen Science and Candy Chemistry will cost an extra \$15 for supplies.) Checks are made payable to "Manhasset SCA".
- Students may enroll in more than one class (please make individual checks for each child participating).
- Classes begin the week of January 23rd.
- There is no early bus for the morning classes. There is a late bus offered on Tuesdays and Thursdays, which departs from Shelter Rock School at 4:00 pm. **Please examine your transportation needs and decide definitively if you will pick up your child or have him/her ride the 4:00 PM bus. Only parents who are fully committed to have their children ride the bus home on either Tuesdays, Thursdays, or both days will be permitted to board the late bus.**
- Enrollment is limited. We reserve the right to cancel classes due to lack of enrollment.
- There are no make-ups/refunds for missed classes after **1/24/17**. Questions? Email lizoliveriny@aol.com
- **In case of inclement weather, be mindful of district notifications/cancellations.**

Class Descriptions:

Intro to French: Learn the basics of a beautiful language! The focus will be on basic conversation, colors, numbers, shapes, foods, etc.

Third Grade Book Club: Read The Lemonade War by Jacqueline Davies, and meet the Treski siblings, who learn a lot about life and economics when they find an unusual way to compete! Then join in a reader's theater performance of The Lemonade Crime, and see if you can figure out what happened to the stolen money!

Second Grade Book Club: Read Quinny and Hopper by Adriana Schanen, the laugh-out-loud tale of two friends who couldn't be more different. Join in games and activities related to this story and other books with a friendship theme.

Bringing Literature Alive Through Drama: Children will expand their literary knowledge, boost their fluency, explore the elements of fiction and drama, and get excited about reading while acting out classic stories.

Drawing and Painting: Students will sketch and paint onto both canvas board and watercolor paper. They will create a snowy winter themed painting, a painting in the style of a famous artist, and a personal painting of a few of their favorite things!

The Orff Club: Come and join "The Orff Club" where children will perform, create, listen and analyze music using their wonderful Orff instruments. They'll sing, say, dance and play!

Kitchen Science: Students will experiment with common household materials to produce both physical and chemical reactions.

Chess Club: Students of all levels will have the opportunity to play friendly games of chess in a low-stress environment while sharpening their critical thinking, foresight and creativity.

Lego Club: Students will be following directions, building and creating using Lego pieces.

Speaking Spanish Through Literature: Students will explore a variety of literature in Spanish while learning to read and speak in Spanish.

Sports and Games: Students will participate in various sports in the gym. At each class a different game will be introduced. Students must wear sneakers to participate.

Yoga: Students will exercise their minds, bodies and breath all at the same time. This yoga class will help students de-stress, build self-esteem and happiness in who they are. (Children must bring mats.)

Tynker Tots: Students will move at their own pace through scaffolded lessons to learn programming concepts in a fun, engaging way and then apply them creatively.

MindCraft Code: Create a world of adventure and learning through the use of Minecraft. Students will learn computer programming and how to create innovative and interactive scenes using PowerPoint and their own individual MindCraft character.

Tech & Code Club: Students will incorporate learning computer programming as well as a variety of technology resources (lights, sound, video and projection).

Creative Writing and Cooking: Enjoy creating wonderful treats with Mrs. B. followed by fun and easy creative writing. Children learn to express themselves artistically and learn how writing can be applied in all areas.

Fitness Fun: Come get in shape and have fun doing it! Fitness incorporating boot camp, core training and aerobic movement. Get ready to sweat!
