

## **It's time to submit photos for the 6th grade yearbook**

1) Baby Photos. We need a baby photo of each 6th grader. Please make sure the child's face is clearly visible. The photo will be cropped to roughly 2x2, with the focus being on the child's face. Please do not crop the photo yourself. We prefer that you upload a digital photo to the Entourage site (see directions in attachment below), but we will accept hard copies. Please label all hard copies. We will do our best to return all photos, but please do not give us anything that is irreplaceable. Mail or deliver all hard copies to Christine Monterosso, 76 Brookside Drive. (Note that these baby photos will also be used in the 6th grade video yearbook shown at 6th grade graduation in June.)

2) School Memory Photos. We need pictures of current 6th graders at Shelter Rock events during school time (such as class parties, field trips, concerts, field day, etc). The child can be alone, with a teacher, or with other current 6th graders. No family members should be in the photo. Please upload all photos into the appropriate category on the Entourage site. If there is no specific category that fits the picture, upload it into the category corresponding to the grade during which the picture was taken. When uploading, label each picture with the grade during which it was taken, and indicate the names of the children in the picture.

We are committed to making a great yearbook in which all children are represented. To do this, we need your help. Please look back on your phones and computers and send us pictures! It's particularly great to get pictures of the kids when they were in the early grades. If you have any questions, please contact Christine Arella ([christinearella@gmail.com](mailto:christinearella@gmail.com)) or Christine Monterosso ([deleeuw@optonline.net](mailto:deleeuw@optonline.net)).

**All pictures due by NOVEMBER 15th.**
