EARTH DAY 2018

GO GREEN!

Dear Parents & Students,

Welcome to Go Green! Week at Shelter Rock Elementary.

We have a fun week of activities planned including: encouraging all children to wear green on Monday April 23rd, an Earth Day assembly, providing the children with Fun Facts each day, as well as a few challenges and a contest.

The following sheet shows a different challenge for each day beginning Monday April 23rd. Please review and see how you and your family can help make a difference.

A few students will be selected per grade based on responses to the question "What is your one wish to make Shelter Rock a greener school?". They will have the opportunity to become Green Team Leaders for their grade.

Also on Monday, we will begin the Bottle Cap Collection Contest. Please see the attached one page summary of the bottle caps to be included in the recycling contest. There will be one winning class per grade based on the number of bottle caps collected. Caps will be collected Monday through Friday. Please remember to wash and clean all bottle caps.

We look forward to a wonderful week at Shelter Rock!

And remember to wear Green on Monday to show your Earth Day pride!
