

PARENTING IN THE DIGITAL AGE: RAISING A DIGITALLY RESPONSIBLE CITIZEN

A joint parent council educational session explaining internet safety, responsibility and content.

Join us at:
Shelter Rock Elementary School Auditorium
Wednesday, January 9, 2019
9-10:30 AM

- Does your child spend too much time on social media or looking at a screen?
- Do they realize the future repercussions for what they post, snap and share?
- Do you wish you had a better understanding of monitoring their online communication?
- What are the issues with so much media time?

A panel of teachers and experts will discuss how technology is being used by children today:

- Social media (Snap Chat, Instagram, House Party, Twitter, Tumblr, YouTube, VSCO, tick-tock)
- Gaming (Fortnite, Roblox)
- Issues and Concerns
