*Richard Roder
Principal
Shelter Rock School*

September 4, 2020

Dear Munsey Park Kindergarten and Fifth Grade Students and Families,

A very special welcome to the Munsey Park Kindergarten and Fifth Grade students and families who will be joining Shelter Rock School for the 2020-21 school year! I know this is a very unique year for all of us, but this does not diminish the excitement we feel welcoming each of you to our school and family.

Yesterday, you received the first communication from me (sent through Principal Altman). As our communication systems update in the coming days, you will receive communications directly from me. I hope that the reopening information answered many of your questions regarding the start of school. Reminder to our fifth grade families, we look forward to seeing you at the Chromebook pick-up on Wednesday, September 9, at Shelter Rock School.

I look forward to building a strong partnership with you as we navigate through this school year together. Please be assured that I, along with Mrs. Williams, Shelter Rock Assistant Principal, Principal Altman, Mr. Nolan, and the entire Shelter Rock faculty and staff, will do everything we can to support and ensure a successful school year for all our students and families!

I hope you enjoy these remaining days of summer and, again, welcome to Shelter Rock! Please feel free to contact me or Mrs. Williams at any time (516) 267-7455.

Sincerely,

Rich Roder
Principal

Paulette Williams
