Please donate your used children's books to our

BOOK DRIVE!

Monday, March 4th- 8th

The SCA, in coordination with local MHS students, will be collecting used children's books to benefit the annual Adventures in Learning book fair. Your donations will directly help local children in need to share in the excitement of shopping at their very own book fair. The goal of this local student-run charity is to spread joy and enthusiasm for reading that will have a positive effect on these students' learning, school achievement, and self-image for years to come!

Collection boxes will be located outside the Cafeteria
