

Planet Manhasset is seeking to fill a Chair position related to the Shelter Rock garden.

1. Planet Manhasset is seeking a volunteer for a Chair position to assist with creating a pollinator garden in the back of the school. There is an existing plot. This person will need to work with teachers and administrators to find the best use for this space and make it into a pollinator garden for the school to use.

For more information or to volunteer, please contact **Becky Tountas** at [becky.rubin@gmail.com](mailto:becky.rubin@gmail.com)
